## EDUCATION

---

### Siddaganga Institute of Technology

MCA

CGPA: 8.94 (1<sup>st</sup> sem)

**Tumkur.**

Feb 2023- Present

### Seshadripuram College, Tumkur

BCA

CGPA: 8.5

**Tumkur.**

2020-2023

## PROJECTS

---

### GENQUERY | Gemini , LLM, Streamlit, Mysql

- This project aims to create a user-friendly interface for generating SQL queries and their corresponding Outputs based on a student database.
- It utilizes the Gemini language model and a large language model (LLM) to assist users in formulating queries and provides the results directly on the frontend, which is built using the Streamlit library.

### VIRTUAL ASSISTANT | Turtle, Speech\_recognition, Pywhatkit

- A Python-based Virtual Assistant project with Basic NLP, an intuitive user interface, and voice command capabilities, enhancing user interaction and task automations

### EDUCARE | HTML, CSS, PHP, and XAMPP (Team of 4)

- Developed a web-based College management system using HTML, CSS, PHP, and XAMPP, aimed at optimizing college operations and overseeing various functions effectively.
- I was responsible for building some components of frontend and Database connectivity.

## TECHNICAL SKILLS

---
